

PRODUCT BULLETIN

Odorless Mineral Spirits

PRODUCT #818

CAM2 ODORLESS MINERAL SPIRITS is a high quality, odorless, petroleum-based solvent used primarily as thinner for oil-based paints and varnishes. It is an excellent cleaner for paint rollers, brushes and spray tools, which have in contact with oil-based paint or varnish. It effectively removes greases, oil, wax and carbon from any surface including metal parts, ceramic tiles and vinyl surfaces.

FEATURES

With proper agitation in cleaning equipment, **CAM2 Odorless Mineral Spirits** removes from metal surfaces:

- Grease
- Lubricating Oils
- Metal working fluids
- Fines

APPLICATIONS

- Sometimes referred to as Stoddard Solvent
- Use in applications where a low flash solvent is acceptable.
- Compatible with most materials and plastics
- Use in a variety of parts cleaning equipment
